The District Agenda is comprised of four different sections:

The meeting will begin at **6:00 p.m.** Following the **Call to Order**, the public has the opportunity to comment on posted agenda items during the third section called **Audience Questions and Comments on Agenda Items**. Each individual is limited to **three (3) minutes** for such comment. The Board is not required to take action at this time, but will consider the comments presented as the agenda progresses. Following public comment, the meeting will proceed with the fourth section called **Vendor and Staff Reports**. This section will allow Vendors and District Engineer and Attorney to update Board on work and to present proposals. The fifth section is called **Consent Agenda**. The Consent Agenda section contains items that require the review and approval of the District Board of Supervisors as a normal course of business. The sixth section will be **Management Reports**. This section allows the District Manager and Staff to update the Board of Supervisors on any pending issues that are being researched for Board action. Occasionally, certain items for decision within this section are required by Florida Statute to be held as a Public Hearing. In the event of a Public Hearing, each member of the public will be permitted to provide one comment on the issue, prior to the Board of Supervisors' discussion, motion, and vote. The seventh section is called **Business Items**. This section contains items for approval by the District Board of Supervisors that may require discussion, motions, and votes on an item-by-item basis.

The final section is called **Supervisor Requests**. This is the section in which the Supervisors may request Staff to prepare certain items in an effort to meet the District's needs.
